SAAP Member Feedback

We know you've got thoughts about SAAP, and some of our best suggestions come from members like you. So send us your thoughts, issues or suggestions.

I would like to make a :-

- Compliment
- Suggestion
- Complaint
- General comment

VISION

To be the Professional Association committed to the development and enhancement of the status of the Administrative Professional.

MISSION

- To encourage research and development to improve the skills and efficiency of practicing administrative professionals
- To provide a platform for networking and interaction amongst members whereby they can share their experience and expertise
- To disseminate relevant information for the professional and personal development of members

Service in committee

Are you interested to serve as a committee member in SAAP? If yes, please tick the committee of your choice and we will contact you. Thank you

- Education
- Programmes
- Membership
- Public Relations

I am keen on the following activities: (please indicate)

- Bootcamps
- Health talks
- Beauty workshops

Electronic mailings: reducing labour and postage expenses

There is continuous debate on whether and when we should adapt to electronic mailing. We need to hear from you on your preference and concern about receiving SAAP circulars via electronic means. Do note that under the constitution, Annual Reports are to be printed.

- Yes, just communicate with me via email / eblast, unless necessary .
- Post mail – I prefer to receive circulars/notices via post mail because
